

ASHER PORCELAIN™

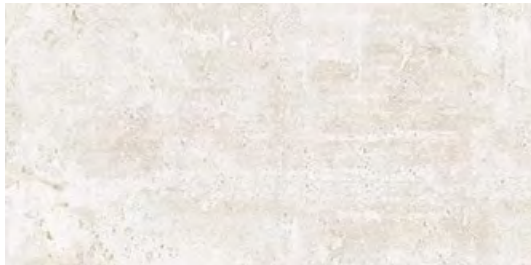

WITH TRACTION ENHANCE™ TECHNOLOGY

Features Coal AS03 Traction Enhance™ Technology 12" x 24"

With the appearance of a time-worn cement texture, the Asher Porcelain™ series provides an intriguing blend of the ancient and the urbane. Offered in large format field tile sizes and three colors, Asher is an ideal series for a touch of the avant-garde. Asher's Traction Enhance™ Technology finish, maintains a DCOF result of ≥ 0.60 when wet, making Asher ideal for most installations. A trim package including a 4" x 12" Bullnose, 6" x 12" Cove Base and 1" x 6" Cove Base Corner rounds out the series.
