

BLUE RIDGE STYLE PORCELAIN™

Eastern Tennessee, our beloved home state, boasts some of the most beautiful trees. Looking eastward to the majestic mountain ranges, we have crafted a minimal modern wood design that exudes understated elegance and allows designers to create dramatic effects that enhance any room. Our connection to the natural beauty of this region is reflected in every detail of this collection.

The Blue Ridge collection is offered in two color options: White and Gray, both available in a single size of 8"x48" with a matte finish. A sleek and contemporary aesthetic is still available while still preserving its rustic appeal.
